Dear Families,

As many of you may be aware, due to the snow plows over the course of the winter, mounds of snow will be piled in certain sections of the parking lot. Please be extra vigilant when using the parking lot loop and when backing out of parking spots. Safety for our students is key!

You are reminded that the Kiss and Ride area is not intended for parking or stopping, but rather designated for drivers to pull in, unload safely, and drive through. Please continue to park in available parking spots, or use street parking where appropriate, if you need to help your child with their backpack or other belongings. Parents should not be exiting their car using the Kiss and Ride, and cars should not pass the vehicle that is in front of them. Our collective efforts will make a real difference to the efficiency of morning drop offs.

Thank you to parents and guardians for your efforts using our Kiss and Ride safely before and after school.

Yours in Catholic Education,

Mrs. Snyder

Fragrance/Scent Safe Buildings at YCDSB

We would like to remind parents and students that St. Margaret Mary is a fragrance/scent-safe environment. We have staff members and students who could suffer severe adverse reactions when exposed to even the smallest amount of a fragrance or scent. We ask that the community support us in our efforts to maintain a healthy and safe environment by refraining from wearing fragrances or scented products when visiting the school, even if your visit will be short.
